

I jumped up and said, "who did this to you?!" **She said, "YOU, FOOL!"**
My heart dropped. I went to jail for like six months and had to take drug and anger management and drug classes. Now I don't have a girlfriend and **I'll never mess with drugs like that again** because I lost the one person that means the most to me... we could have just done something else, like go to the movies, for her birthday. Now I guess we won't get the chance.
