ACHIEVE THESE OBJECTIVES:

- ✓ Describe **current epidemiology of common reportable STDs** (syphilis, chlamydia & gonorrhea) in California.
- ✓ Describe **diagnostic & management strategies for syphilis** and outline **decision algorithms** for evaluating patients with a positive serologic test for syphilis.
- ✓ Discuss **treatment of gonorrhea & chlamydia**, and **suppressive & episodic treatment options** for patients with HSV.
- ✓ Determine the correct use for **high-risk HPV DNA tests**.
- ✓ List the steps in the appropriate order for conducting an STD-oriented male and/or female genital exam.

STD UPDATE: EMPHASIS ON SYPHILIS covers epidemiology, diagnosis, treatment, and management of STDs for the practicing clinician. This day-long course is presented in an interactive format and incorporates case discussions. Schedule: 8:30 a.m. - 4:45 p.m.

Course fee: \$75 ◆ CMEs: 6.5/\$30 ◆ Nursing Contact Hours: 7.8/FREE

Who Should Take This Course?

Physicians, Advanced Practice Nurses
Physician Assistants, and Nurses in
public & private settings

Course Faculty: Gail Bolan, MD; Linda Creegan, MS, FNP;
Gregory Melcher, MD; Ina Park, MD, MS; Glennah Trochet, MD;
Enrique Coons, CDS

The optional **MALE & FEMALE GENITAL EXAM SKILLS PRACTICUM** is designed for clinicians who will be using these skills in their clinical practice. This hands-on, skills-based 4-hour training focuses on the male and female genital exam. All participants will have the opportunity to practice on model male and female teaching assistants. Recommended for clinicians interested in improving exam skills. Course fee: \$75. (4 CME credits: \$15 | 4.8 Nursing Contact Hours: free) 8:00 a.m.-12 noon
