Disclosures

Definition: Conflict of Interest (or lack thereof):

A conflict of interest exists if any individual/entity that is in a position to influence the content, design, or implementation of the educational activity is ALSO in a position to benefit financially from the success of the activity.

Commercial Company Support

- ☒ This session had no commercial support

Trainers: Heidi Bauer, MD, MS, MPH; Sheldon Morris, MD, MPH; Chris Ried, MD; Julie Stoltey, MD, MPH

Planners: K. Sofie Batshoun, MBA; Ina Park, MD, MS; Dominique Reminick, MA; Chris Ried, MD

CME Committee: David Couch; Kathleen Clanon, MD; Johanna Rosenthal, MPH; Pat Blackburn, MPH; Richard Fischer, MD

All the speakers/trainers and planners disclosed that they have **no conflict of interest or relevant financial relationships with commercial interests** except for any listed below. The following speakers or planners have disclosed relevant financial relationships that could appear to create a potential conflict of interest:

Disclosures

Individual	Commercial interest	Nature of relationship
Sheldon Morris, MD, MPH (faculty)	Gilead Science	PI of research grants, site investigator for upcoming DISCOVER study
	CHRP	PI of research grant
	NIH	PI/Co-I on research grant
	CIRM	PI/Co-I on research grant
	DOD	PI/Co-I on research grant
	GSK	PI of research grant

Any potential personal conflicts of interest listed above were resolved to ensure that this educational activity promotes quality in health care and not a specific proprietary business interest of a commercial interest.

Dr. Morris does not participate in planning in which he has a conflict of interest, and he ensures that any content or speakers he suggests will be free of commercial bias.
